2023 Buda Art Brawl Sponsorship Opportunities

Thank you for your interest in sponsoring the 2023 Buda Art Brawl!
www.BudaArtBrawl.com

The Buda Art Brawl is back by popular demand! It's an evening of intense, head-to-head painting competitions between top artists, set to the rich cumbia grooves of Money Chicha, with libations sponsored by local breweries and distilleries. The audience chooses the winner who is awarded a solo gallery exhibit, and all of the artwork created at the Brawl is auctioned off to support charitable arts endeavors!

Inspired Minds Art Center held the first Buda Art Brawl in October 2019 at Two Wheel Brewing Company to help raise money for the build-out of Inspired Minds Art Center. Even though Inspired Minds Art Center was just beginning, the community came out to support the cause and help to launch this dream. Last year, we brought the event back to fundraise for art scholarships and free community arts programs, and it was a blast!

NEW!! This year, we're raising money for the newly formed non-profit organization, Tandem Arts Partnership! **Tandem Arts Partnership (TAP) enables social, emotional, and cultural well-being by providing access to the arts through targeted programs, community outreach, and financial assistance. TAP is registered with the State of Texas as a non-profit and is in the process of applying for 501(c)(3) status with the IRS.** We're excited to once again showcase some of our amazing local artists, musicians and community, all while raising money to kick off Tandem Arts Partnership!

Inspired Minds Art Center, together with Tandem Arts Partnership, advocates for art and culture, local artists, and the health and wellbeing of diverse people across the span of generations that make up our greater community.

Art for All Scholarships provide art education for people with financial need.

- Low-income students who participate in the arts, both in school and after school, have a drop-out rate of just 4% - 5x lower than their peers.
- Arts programs impact older adults by improving health, decreasing depression and loneliness, and increasing participation in other kinds of

activities.

- Not only does art target several learning areas such as language, literacy, numeracy, communication, dexterity, it also brings joy and builds high self-esteem.

Free Community Arts Programming:

- Family Art on Main Day (FAM) every 1st Saturday
- Painting in the Park with Joy Bliss
- Fiber Arts Community Meet-Up
- Monthly public gallery events
- Seasonal arts festivals

The kick off of Tandem Arts Partnership opens doors and removes barriers to allow even greater participation in the arts and arts programming for all members of the Hays County community and beyond. Inspired Minds Art Center is excited and proud to be able to partner with Tandem Arts Partnership to bring programming in the arts to people who may not have the means to access it otherwise. With your support, we can begin the year strong!

Thank you for your consideration! Please reach out to us with any questions you may have.

Sincerely,

Susan Guerra
